

The Rising Sun - Audition Script #3

Maria is meeting with her employee Evan to let him know about the status of a promotion he applied for.

Evan knocks on Maria's door and she responds.

Maria
Come in.

Evan opens the door and walks in.

Evan
Hi, Maria.

Maria smiles at Evan.

Maria
Hi Evan. Thanks for coming down. Please have a seat.

Evan
Sure.

Maria
I'll cut right to the chase, Evan. I know you expressed interest in the Quality Assurance Manager position since Nelson's departure from the company.

Evan
Oh yes, I am still very interested. I've been working in Quality Assurance with Nelson since I started here 5 years ago. He is actually the one who trained me.

Maria
I know and we appreciate you taking over his responsibilities while we decide what to do with this position.

Evan
Decide what to do with it?

Maria

Yes. We've considered merging the department with the Utilization Management team under Isaac Stevens' leadership. Between you and I, Isaac will be retiring in the Spring so we've decided to go a different route.

Evan

Okay.

Maria

The board and I would like you to continue as interim Quality Assurance Manager and in the Spring, we plan to promote you to Director of Utilization Management - taking over for Isaac Stevens.

Evan smiles in shock.

Evan

Wha...wow. Are you serious?

Maria

Very.

Evan

I thought you were going to just let me down easily.

Maria

Oh no. Sorry if I made you nervous there. We know how critical your work ethic is to this company. Nelson actually highly recommended you for the position prior to his departure.

Evan

That really means a lot, Maria. Thank you.

Maria

It's truly my pleasure. So just please bare with us in the next couple of months. We will make a formal offer and discuss change in salary as early as April 1st.

Evan

Sounds good to me, Maria.

End of scene.
